PA to Chief of Staff

What I do in my job?

Work in all things HR, take meeting minutes and manage The Chief of Staff's inbox and diary.

Motivation:

I like being able to lighten the workload of the ever busy Chief of Staff and help my colleagues in any way I can.

Advice to women thinking of a career in health service:

There are so many opportunities in eHealth and I really don't feel as though gender is considered in any role so the possibilities are endless.
