

Concept	Preferred Term	SCTID
Endocrinology service (qualifier value)	Endocrinology service	700434000
Social services (qualifier value)	Social services	310134006
Gynecology service (qualifier value)	Gynaecology service	310061009
Radiology service (qualifier value)	Radiology service	310125001
Urodynamic studies (procedure)	Urodynamic studies	252895004
Ultrasound scan for fetal anomaly (procedure)	Ultrasound scan for fetal anomaly	408814002
Congestive heart failure clinic (environment)	Congestive heart failure clinic	702843005
Long term care hospital (environment)	Long term care hospital	32074000
Stroke service (qualifier value)	Stroke service	310137004
Obstetrics and gynecology service (qualifier value)	Obstetrics and gynaecology service	310060005
Rheumatology service (qualifier value)	Rheumatology service	3621000175101
Breastfeeding education (procedure)	Breastfeeding education	243094003
Mammography (procedure)	Mammography	71651007
Endoscopy service (qualifier value)	Endoscopy service	310030000
Nephrology service (qualifier value)	Nephrology service	788003006
Diabetes mellitus service (qualifier value)	Diabetes mellitus service	444913002
Urology service (qualifier value)	Urology service	310167005
Miscarriage care (regime/therapy)	Miscarriage care	697954007
General surgery (qualifier value)	General surgery	394609007
Respiratory medicine service (qualifier value)	Respiratory medicine service	816074000
Diagnostic investigation service (qualifier value)	Diagnostic investigation service	310028002
Cardiology service (qualifier value)	Cardiology service	789718008
Cardiac rehabilitation service (qualifier value)	Cardiac rehabilitation service	733459009
Perinatal mental health care (regime/therapy)	Perinatal mental health care	390819005
Physiotherapy (qualifier value)	Physiotherapy	722138006
Ophthalmology service (qualifier value)	Ophthalmology service	310160007
Medical oncology (qualifier value)	Medical oncology	394593009
Specialist palliative care (qualifier value)	Specialist palliative care	395092004
General medical service (qualifier value)	General medical service	700232004
Colorectal surgery service (qualifier value)	Colorectal surgery service	310155008
Dermatology service (qualifier value)	Dermatology service	700241009
Special care baby service (qualifier value)	Special care baby service	310070007
Breast surgery (qualifier value)	Breast surgery	408469009

Neonatology (qualifier value)	Neonatology	408445005
Nuclear medicine service (qualifier value)	Nuclear medicine service	788009005
Perinatology (qualifier value)	Perinatology	26051000087109
Radiation oncology service (qualifier value)	Radiation oncology service	788123009
Dental surgery service (qualifier value)	Dental surgery service	310143002
Emergency medicine (qualifier value)	Emergency medicine	773568002
Infectious disease service (qualifier value)	Infectious disease service	788001008
Assessment service (qualifier value)	Assessment service	310002000
Cancer emotional and psychosocial support and education (regime/therapy)	Cancer emotional and psychosocial support and education	413736002
Pregnancy termination care (regime/therapy)	Pregnancy termination care	386394001
Counseling for bereavement (procedure)	Bereavement counseling	171007003
Community midwifery service (qualifier value)	Community midwifery service	714089006
Neurology service (qualifier value)	Neurology service	788005004
Pastoral care (regime/therapy)	Pastoral care	105405003
Geriatric service (qualifier value)	Older person services	3531000175102
Plastic surgery service (qualifier value)	Plastic surgery service	310164003
Obstetric ultrasound service (qualifier value)	Obstetric ultrasound service	708173005
Magnetic resonance imaging service (qualifier value)	Magnetic resonance imaging service	310127009
Electrocardiogram analysis (qualifier value)	ECG analysis	258181008
Vascular surgery service (qualifier value)	Vascular surgery service	310168000
Interventional radiology service (qualifier value)	Interventional radiology service	708174004
Gastroenterology (qualifier value)	Gastroenterology	394584008
Class in prenatal exercises (regime/therapy)	Class in prenatal exercises	17566005
Anesthetic service (qualifier value)	Anesthetic service	310001007
Clinical pharmacology service (qualifier value)	Clinical pharmacology service	700436003
Endoscopy using fluoroscopic guidance (procedure)	Fluoroscopy guided endoscopy	710291004
Clinical oncology service (qualifier value)	Clinical oncology service	310022001
Obstetrics service (qualifier value)	Obstetrics service	310063007
Colposcopy service (qualifier value)	Colposcopy service	310024000
Rehabilitation - specialty (qualifier value)	Rehabilitation - specialty	394602003
